## IMPORTANT TERMS OF OUR HOME EQUITY LINE OF CREDIT

This disclosure contains important information about our Home Equity Line of Credit. You should read it carefully and keep a copy for your records.
If these terms change during the application process, other than the ANNUAL PERCENTAGE RATE, and you decide, as a result, not to enter into an agreement with us, you are entitled to a refund of any fees that you have paid to us or to anyone else in connection with your application.

## All of the terms disclosed below are subject to change.

Security Interest - We will take a mortgage on your home. You could lose your home if you do not meet the obligations in your agreement with us.
Possible Actions - We can terminate your line, require you to pay the entire outstanding balance in one payment, and charge you certain fees if:
(1) You engage in fraud or material misrepresentation in connection with the line.
(2) You do not meet the repayment terms.
(3) Your action or inaction adversely affects the collateral or our rights in the collateral.

We can refuse to make additional extensions of credit or reduce your credit limit if:
(1) The value of the dwelling securing the line declines significantly below its appraisal value for purposes of the line.
(2) We reasonably believe you will not be able to meet the repayment requirements due to a material change in your financial circumstances.
(3) You are in default of a material obligation in the agreement.
(4) Government action prevents us from imposing the ANNUAL PERCENTAGE RATE provided for or impairs our security interest such that the value of the interest is less than 120 percent of the credit line.
(5) A regulatory agency has notified us that continued advances would constitute an unsafe and unsound practice.
(6) The maximum ANNUAL PERCENTAGE RATE is reached.

Property Insurance - You must carry homeowners insurance on the property that secures this loan. A homeowner's insurance policy (or fire and extended coverage insurance policy) or binder in an amount equal to the lesser of the loan amount plus your first mortgage balance or replacement cost must be furnished at closing. The policy should name as mortgagee: JEANNE D'ARC CREDIT
UNION, ITS SUCCESSORS AND/OR ASSIGNS, AS THEIR INTEREST MAY APPEAR
Minimum Draw and Balance Requirements: There is no minimum credit advance. There is also no outstanding balance requirement.
Minimum Payment Requirements - You can obtain advances of credit for 10 years (the "draw period"). During the draw period, payments will be due monthly. Your minimum monthly payment will be equal to the greater of (1) $\$ 50.00$ or (2) INTEREST ONLY as calculated on the average daily balance for the billing period, plus any amount past due.
After the draw period ends, you will no longer be able to obtain credit advances and must pay the outstanding balance over 10 years (the "repayment period"). During the repayment period, payments will be due monthly. Your minimum payment will be equal to $1 / 120$ th of the principal balance that was outstanding at the end of the draw period plus the FINANCE CHARGES that have accrued on the remaining balance; however, in no event shall the repayment be less than $\$ 50.00$ monthly, excluding the final payment.

Minimum Payment Example - If you made only the minimum payments and took no other credit advances, it would take 20 years to pay off a credit advance of $\$ 10,000$ at an ANNUAL PERCENTAGE RATE of $7.50 \%$.

- During the draw period you would make 120 payments ranging from \$57.53 - \$63.70
- During the repayment period you would make 120 payments ranging from $\$ 83.86$ to $\$ 147.03$

Maximum Rate and Payment Examples - If you had an outstanding balance of $\$ 10,000$ during the draw period, the minimum monthly payment at the maximum ANNUAL PERCENTAGE RATE of $18.00 \%$ would be $\$ 138.08$. This ANNUAL PERCENTAGE RATE could be reached during the first month of the draw period.

If you had an outstanding balance of $\$ 10,000$ at the beginning of the repayment period, the first minimum monthly payment at the maximum ANNUAL PERCENTAGE RATE of $18.00 \%$ would be $\$ 236.21$. This ANNUAL PERCENTAGE RATE could be reached during the first month of the repayment period. If no other payments and no other extensions of credit were made, the $\$ 10,000$ loan would be repaid in 10 years.

Late Charges - If you do not pay the full amount of any monthly payment by the end of 15 calendar days after the date it is due, you will pay a late charge of $10 \%$ of the outstanding balance, or $\$ 10.00$, whichever is less.

Fees and Charges - There are no fees or charges to open and maintain a line of credit except under the following circumstances:
(1) If you do not qualify for your loan based on our evaluation of your home, we may allow you to obtain a qualified appraisal of your home. The appraiser must be selected by us from our Approved Appraiser List. The charge for an appraisal is generally $\$ 450.00$.
(2) If you close your line of credit within 24 months of the open date an "EARLY CLOSE-OUT FEE" OF UP TO THE LESSER OF \$300.00 OR THE MAXIMUM AMOUNT ALLOWED BY LAW MAY BE IMPOSED.
The following Closing Costs are paid for by the Credit Union when establishing a new HELOC:
Application and Doc Prep (\$65.00), Flood Certification (\$14.00), Hazard Tracking (\$45.00), Credit Report Fee (\$0.00-\$165.00),
Title Exam and Recording NH (\$250.00)/MA (\$295.00), Automated Valuation (\$0 -\$160.00), Property Condition Report (\$50).
Tax Deductibility - You should consult a tax advisor regarding the deductibility of interest and charges for the line.

Variable Rate Information - The line has a variable-rate feature and the ANNUAL PERCENTAGE RATE (corresponding to the periodic rate) and the minimum payment can change as a result.
The ANNUAL PERCENTAGE RATE includes only interest and no other costs.
The ANNUAL PERCENTAGE RATE is based on the value of an index. The index is the Prime Rate published in the Money Rates section of the Wall Street Journal (If more than one Prime Rate is available, the higher shall be used), on the first business day of the month. To determine the ANNUAL PERCENTAGE RATE, we add a margin of ZERO PERCENT ( $0.00 \%$ ) to the value of the index and round up to the nearest $1 / 8^{\text {th }}$ of one percent.
A recent ANNUAL PERCENTAGE RATE was 7.50\%.
Ask us for the current index values, margin and ANNUAL PERCENTAGE RATE. After you open a credit line, rate information will be provided on periodic statements that we send you.
From time to time Jeanne D'Arc Credit Union offers an introductory ANNUAL PERCENTAGE RATE on Home Equity Line of Credit Loans. If you qualify for an introductory rate, the initial ANNUAL PERCENTAGE RATE may not be based on the index and margin used to make later rate adjustments. Information describing how to qualify for the introductory ANNUAL PERCENTAGE RATE, and the period of time such initial rate will be in effect, if any, is contained in the accompanying Introductory Rate Addendum to Home Equity Line of Credit Documents. The Introductory Rate Addendum to Home Equity Line of Credit will only be provided if such an introductory rate is offered.

Rate Changes - The ANNUAL PERCENTAGE RATE can change each month. The maximum ANNUAL PERCENTAGE RATE that can apply is $18.00 \%$ and the minimum ANNUAL PERCENTAGE RATE will never go below $3.25 \%$. Other than this maximum and minimum ANNUAL PERCENTAGE RATE, there is no limit on the amount by which the rate can change during any one-year period.

## Variable Rate Historical Example

The following table shows how the ANNUAL PERCENTAGE RATE and the minimum monthly payments for a single $\$ 10,000$ credit advance would have changed based on changes in the index over the past 15 years. The index values are from the last business day in January of each year. While only one payment amount per year is shown, payments would have varied during each year.
This table assumes that no additional credit advances are taken, that only the minimum payments were made each month, and that the rate remained constant during each year. It does not necessarily indicate how the index of your payments will change in the future.

|  |  |  | ANNUAL | MINIMUM |
| :---: | :---: | :---: | :---: | :---: |
| YEAR | INDEX* | MARGIN | PERCENTAGE RATE | MONTHLY PAYMENT |
| 2009 | 3.25 | 0 | 3.25 | $\$ 50.00$ |
| 2010 | 3.25 | 0 | 3.25 | $\$ 50.00$ |
| 2011 | 3.25 | 0 | 3.25 | $\$ 50.00$ |
| 2012 | 3.25 | 0 | 3.25 | $\$ 50.00$ |
| 2013 | 3.25 | 0 | 3.25 | $\$ 50.00$ |
| 2014 | 3.25 | 0 | 3.25 | $\$ 50.00$ |
| 2015 | 3.25 | 0 | 3.25 | $\$ 50.00$ |
| 2016 | 3.50 | 0 | 3.50 | $\$ 50.00$ |
| 2017 | 3.75 | 0 | 3.75 | $\$ 50.00$ |
| $2018^{* *}$ | 4.50 | 0 | 4.50 | $\$ 83.91$ |
| 2019 | 5.50 | 0 | 5.50 | $\$ 86.07$ |
| 2020 | 4.75 | 0 | 4.75 | $\$ 79.67$ |
| 2021 | 3.25 | 0 | 3.25 | $\$ 71.43$ |
| 2022 | 3.25 | 0 | 3.25 | $\$ 69.52$ |
| 2023 | 7.50 |  | 7.50 | $\$ 79.52$ |
|  |  |  |  |  |

*Index = Prime Rate published in the Money Rates section of the Wall Street Journal
** The repayment period begins this year
Fixed Rate/Fixed Term Conversion Option Information - You may convert all or a portion (minimum of \$5,000) of your outstanding line of credit balance to a fixed rate and fixed term loan.

The ANNUAL PERCENTAGE RATE of the conversion loan is based on the value of an index. The index is equal to the weekly average yield on U.S. Treasury Securities adjusted to a constant maturity of ten years, as published weekly in the Wall Street Journal. We use the last index published in the month prior to the conversion. To determine the ANNUAL PERCENTAGE RATE, we add a margin to the value of the index and round up to the nearest $1 / 8^{\text {th }}$ of one percent. The margin that is added is based on the term of the conversion loan. The maximum ANNUAL PERCENTAGE RATE that can apply is $18.00 \%$.

| Margin to be added |  |  |
| :---: | :---: | :---: |
| Loan term in months | $=$ | Margin |
| $1-36$ | $=$ | $1.00 \%$ |
| $37-60$ | $=$ | $2.00 \%$ |
| $61-120$ | $=$ | $3.00 \%$ |
| $121-180$ | $=$ | $4.00 \%$ |
|  |  |  |

The fixed loan portion of the account will continue to be secured by the mortgage. You may have up to five fixed rate loans outstanding at one time. Your line of credit will be reduced by the amounts of the fixed rate loans. As principal is repaid on your fixed rate loans, the available credit on your line of credit will be increased by the amount of repayment.
