

# Heartland

JEANNE D'ARC  
CREDIT UNION

## A full suite of payment processing services for your business:

**Heartland Secure Can Protect Your Business** - Heartland Secure is the most secure credit card processing method backed by the most comprehensive merchant warranty in the payments industry.

**Interchange Plus Pricing and Rate Guarantee** – You will know the true cost of every card that comes through your business – all rates and fees are clearly identified on an easy to read statement. Heartland’s rates are guaranteed with no teasers that will creep up. No hidden fees. No middlemen. No surprises.

**Local, Personal Consultation** – A locally based Relationship Manager will meet with you personally to learn your business and present a solution custom tailored to your needs. We are pleased to offer you the same personal and professional service that you currently enjoy from Jeanne D'Arc Credit Union.

**Fast Customer Care** – Heartland’s Service Center is US based and businesses who work with Heartland get a real person on the phone right away who will not hang up until your question or problem is resolved.

**Mobile Payments** – With technology continuing to change the face of commerce, you likely need the ability to take your business anywhere. Unlike other mobile payment solutions that hold funds up to 30 days for various reasons, we fund our merchants the same as if they are processing transactions in their store—so you’ll be funded faster.

**Point of Sale Systems** – Your business is unique, so we offer customized and comprehensive systems designed to grow as your company does. With Heartland, your POS allows you to integrate with many other applications such as payroll and marketing programs.

**Gift and Loyalty Programs** – With our fully customizable gift card and rewards/loyalty programs, you can increase the amount of customers you’re bringing in, while reducing the amount of payment fees going out.

For more information on how Heartland can help your business, or to set up an appointment with a local Relationship Manager, please contact Travis Adams at (502) 767-7374 or [william.adams@e-hps.com](mailto:william.adams@e-hps.com)
