I have read the terms and conditions below:

(1) The balance transfers (amounts paid) will be processed as a cash advance, therefore interest charges begin to accrue immediately on the same day we charge your account for the transfer. (2) If transfer information you provide is incomplete, illegible or incorrect we will not be able to process the transfer request. The credit union is not responsible for any remaining balance on that account, or any finance or other charges you incur due to delays in transferring a balance. (3) Please continue to pay your total minimum payment due until the requested transfer payment appears on the account's billing statement. (4) The credit union cannot close your accounts for you. If you wish to close any of the transfer accounts, you must do so yourself. (5) Balance transfers are contingent upon your assigned credit limit. (6) If you transfer an amount for a transaction you dispute, you may lose some or all of your rights against the other creditor.
